

(Remember Me) I'm the One Who Loves You

Merle Haggard

When you're all alone and blue
No one to tell your troubles to
Remember me, I'm the one who loves you

When this whole world has turned you down
Not a true friend can be found
Remember me, I'm the one who loves you

And through all kinds of weather
My love will never change
Through the sunshine and the shadows
Honey, I'll always be the same

We're together, right or wrong
Where you go, well, I'll just have to tag along
Remember me, I'm the one who loves you

And through all kinds of weather
My love will never change
Through the sunshine and the shadows
I'll always be the same

We're together, right or wrong
Where you go, well, I'll just have to tag along
Remember me, I'm the one who loves you
