

# Susie

Merle Haggard

All you got to do to please me  
Is take me in your arms and squeeze me, Susie  
And I'll be happy

All you got to do to keep me  
Is promise that you'll never cheat me, Susie  
And I'll be happy

I don't want a lot  
But that don't mean that I'm not choosy  
Lotsa little things come before the rains do, Susie

All you got to do to please me  
Is take me in your arms and squeeze me, Susie  
And I'll be happy

I don't want a lot  
But that don't mean that I'm not choosy  
Lotsa little things come before the rains do, Susie

All you got to do to please me  
Is take me in your arms and squeeze me, Susie  
Susie, and I'll be happy  
(Take me in your arms and squeeze me)
