

# Thank You For Keeping My House

**Merle Haggard**

Thank you for keeping my house  
Thank you for loving a louse  
Thank you for giving me someplace to come to  
When I'm finally all down and out  
And let me thank you for keeping my house

Thank you for being my friend  
And let me thank you again and again  
Thank you for giving me someone to talk to  
When I'm finally all down and out  
And let me thank you for keeping my house

Thank you for keeping my house  
And thank you for loving a louse  
Thank you for giving me someplace to come to  
When I'm finally all down and out  
Oh, and let me thank you for keeping my house
