

There's Just One Way

Merle Haggard

There's just one way to make that trip to glory
God so loved the world that He gave His son
So hold your head up high, point your finger to the sky
There's just one way to make that final run

Peace on earth is something we're all after
Something mortal man won't ever find
But there's good news in the Good Book for God's children
There's just one way to have that peace of mind

Yeah, there's one way to make that trip to glory
God so loved the world that He gave His son
So hold your head up high, point your finger to the sky
There's just one way to make that final run

There's an answer to the question for all sinners
And it's written in the verse John 3:16
There's good news in the Good Book for God's children
He can wash away your sins and make you clean

There's just one way to make that trip to glory
God so loved the world that He gave His son
So hold your head up high, point your finger to the sky
There's just one way to make that final run

One more time!

There's just one way to make that trip to glory
God so loved the world that He gave His son
So hold your head up high, point your finger to the sky
There's just one way to make that final run
