Things Aren't Funny Anymore

Merle Haggard

We used to laugh a lot
We never cried
But things are all different now
Since your sweet love has died
Seems we've lost the way to find
All the good times we found before
Yeah, we used to laugh a lot
Things aren't funny anymore

IfI knew how to change your mind
Maybe things could be right again
If I could turn back one page of time
Before love came to an end
I'd know just where to turn
To turn it all on once more
Maybe we laughed too soon
Things aren't funny anymore

I'd know just where to turn
To turn it all on once more
Maybe we laughed too soon
Things aren't funny anymore
