

## Time Changes Everything

Merle Haggard

There was a time when I thought of no other and we sang our own  
love's refrain  
Our hearts beat as one and we had our fun but time changes every-  
thing  
When you left me my poor heart was broken our romance it seemed  
all in vain  
The dark clouds're gone and there's blue skies again  
Cause time changes everything

Time has passed I've forgot you mother nature does wonderful things  
I guess that it's true for me and for you cause time changes every-  
thing  
You change the name of an old song rearrange it and make it a swing  
I thought nothing could stop me from loving you but time changes  
everything  
Good luck to you may God bless you I can't say I won't love again  
in  
But you go your way and now I'll go mine cause time changes every-  
thing
