

Untanglin' My Mind

Merle Haggard

I can tell you're really glad I'm finally leaving
I know things for you will change from bad to good
So if you don't mind, I think I'll just pack my suitcase
And walk away from you the way I should

But if anyone should wonder where I've gone to
If anyone should ask from time to time
Tell 'em that you finally drove me crazy
And I'm somewhere untanglin' my mind

Tell 'em I won't be riding I'll be walking
I don't think a crazy man should drive
Anyway the car belongs to you, babe
Remember I love you as long as I'm alive

If anyone should wonder where I've gone to
If anyone should ask from time to time
Tell 'em that you finally drove me crazy
And I'm somewhere untanglin' my mind

Tell 'em I won't be riding I'll be walking
I don't think a crazy man should drive
Anyway the car belongs to you, babe
Remember I love you as long as I'm alive

If anyone should wonder where I've gone
If anyone should ask from time to time
Tell 'em that you finally drove me crazy
And I'm somewhere untanglin' my mind
