

# What I Hate

Merle Haggard

What I hate is  
A statesman speaking out of both sides of his mouth  
What I hate is  
The war still going on down in the South  
What I live for  
Is a chance to change a little bit of it all  
What I hate is  
Most folks don't seem to care at all

What I hate is  
Looking up and seeing chemtrails in a clear blue sky today  
What I hate is  
Hittin' road blocks on a highway in my way  
What I live for  
Is a chance to change and be everything I can be  
What I love is  
Someone bright enough to see

What I hate is  
What I hate and I always will  
What I hate is  
Someone mad enough to kill  
What I love is  
Someone with a heart that's really good  
Now we can't change the whole wide world  
Maybe we can change our neighborhood
