

# Where No One Stands Alone

**Merle Haggard**

Once I stood in the night with my head bowed low  
In darkness as black as the sea  
In my heart felt alone and I cried oh Lord  
Don't hide your face from me.

Hold my hand all the way every hour every day  
From here to the great unknown  
Take my hand let me stand  
Where no one stands alone.

Like a king I may live in a palace so fine  
With great riches to call my own  
But I don't know a thing in this whole wide world  
That's worse than being alone.

Hold my hand all the way every hour every day  
From here to the great unknown  
Take my hand let me stand  
Where no one stands alone...
