

Dressed up and spinning around
Knock the last of the Russian down
And the music goes on and on. Anon

CCTV's the game
You hit the town in the pouring rain
And the music goes on and on. Anon

Got new I.D. today
'Cause we all look and sound the same
And the music goes on and on. Anon

Strapped in and falling down
You hit the wall for another round
And the music goes on and on. Anon

These DJ's play the game
Who cares if they sound the same
And the music goes on and on. Anon

This place is slowing up
Your screen is full of junk
And the music goes on and on. Anon

Just lost yourself a man
To the back of an armoured van
And the sirens go on and on. Anon

This place is shutting down
Six o'clock in the morning now
And the music goes on and on. Anon

These streets need cleaning up.....

And the music goes on and on. Anon
