

## Closed Eye Visuals

Meshuggah

Unbound to the pale and lifeless day by the  
multicolored, multiform  
A spinning antidream unthought. -Exceeding the  
obsolete reality  
Overheated inner shape-generator. Blowing every  
cerebral fuse  
Insanity filtered and systematized. -Feeding the  
tools of mind abuse

Mind-signal transmission peaked, distorted, bent,  
unrestrained  
Neuroreceivers shortcircuit. System parameters  
over-gained  
Nervethreads decoding the stream of the  
reality-inverting revolution  
The patterned untruth of non-dream: The closed eye  
visual delusion

A frantic cellular race down the switchbacks of mind  
Throttling the existence-engine. A propulsion beyond  
all limit lines  
Convulsive thrusts of septic energy as infected cells  
collide  
Unleashing the video-bacterial disease. The  
sinew-conducted pseudo-vision

Mind-signal transmission peaked, distorted, bent,  
unrestrained  
Neuroreceivers shortcircuit. System parameters  
over-gained  
Nervethreads decoding the stream of the  
reality-inverting revolution  
The patterned untruth of non-dream: The closed eye  
visual delusion

Self unfolds like a disintegrating dream. All  
revealed but the sinister cause  
My lying eyes come apart at the seams. Still how  
could I ever regret the loss

The self transformed into wave lengths  
-Reverberating this unyielding dream. Lost in this  
greedy illusion  
I'm forever devoured by the closed eye visual delusion

A twirling visual overload - Explosions of terror and  
beauty  
Colors of fear and pain within clash into unanything  
(A spectra-organic frenzy setting fire to the  
neuro-highways of mind  
Revolving me away from time. A soul now rendered  
unassigned)
