

## Inside What's Within Behind

Meshuggah

I can't run away from the thing in me  
I'm weakening down another now developing  
Within

I can feel it it's inside my head  
Connected to my brain this other me is  
Slowly taking over deep beneath the  
Eye that  
All can see energetic visions of the one  
I know myself to be

Look into my eyes don't listen to their lies

How can I stop this from being real  
No my life will be no longer what it always  
Used to be

Life neglected infected by strain  
I fall into the smothering the even  
Flow of  
Ravaging pain this my temple of selfcaged  
Contempt a body slowly pierced by  
Inevitable me

Do I differ from yourself am I like  
They say  
The truth eventually I'm the one you  
Wanna be  
Can you feel the same as I another inside  
Pushing to free itself from the chains  
Of the soul

Turn your eyes toward the inside  
Dig deep within I'm sure you'll find  
A different self a different soul  
To put you in peace with mind
