

My Life is a Movie

Messy Marv

Shook, I'm in that 500 spinnin'
Plenty stones in my mouth, that's why I'm always grinnin'
Spendin' money from 97 so, yadada
Nothin', touch down from Santa Rita like, yadada
Fuck em', I'ma ride and get money like a gangsta supposed ta'
C'mon be cool, lil' nigga, I'll smoke ya'
Crestside, to the 16 hunnid'
We can get with this gunplay, howeva' you want it
See this big black thang'? For a nigga I'll use it
They got the bay fucked up with this funny ass music
Fuck that, jump off a Southwest nigga playin'
Ya, and I ain't said a word, but you know what I'm sayin'
Mac Dre

I need no, bitch who ain't rich
That's just like a criminal, fuckin' with a snitch
I'm bustin' with a clip, that's longer than most
Never ridin' in a column, fool I'm ina' flow
I'm on the go, 24, my life's a movie
And the title is bust a bitch, to sell her booty
I'm cutthroat, I fuck with sour dudes
And slang much dope, and bust power moves

Mac Dre's the name, but some of you nigga's abuse it
If you ain't comin' with that shit, then nigga don't use it
I'll be ready to slap all you rap nigga's in the mouth
All that funny ass dancin', ain't what my nigga's bout'
So I pull up on the Benz, and lighten' up the do'
And knock out ya' newest, squat off and get low
Starin' at the pretty lights reflectin' off my bracelet
I live for today, tomorrow might I not make it
I seen that My Block shit on MTV
That shit was watered down, wait till' they get a load of me
Fuck that, jump off a Delta nigga playin'
And I ain't said a word, but you know what I'm sayin'
Mac Dre

I need no, bitch who ain't rich
That's just like a criminal, fuckin' with a snitch
I'm bustin' with a clip, that's longer than most
Never ridin' in a column, fool I'm ina' flow
I'm on the go, 24, my life's a movie
And the title is bust a bitch, to sell her booty
I'm cutthroat, I fuck with sour dudes
And slang much dope, and bust power moves

I pull up, and bounce out, with rock's in my charm
Walk in the joint, sumthin' bad on my arm
Street life, nigga but I'm lovin' it though
See I'm tryna' get the money, and you in love with the hoe
I'm a cutthroat' nigga like PS and Dubee
Click clack gang mayne', I ride around with an uzi
Put this cheese on your burger nigga, Mess get guap
And if there's a nigga in the way, then there's a nigga that's not
I sat down in New York, they couldn't do nun' for me
They all want somebody who they can control, with no money
Fuck that, jump off America West nigga playin'

And I ain't said a word, but you know what I'm sayin'
Mac Dre

I need no, bitch who ain't rich
That's just like a criminal, fuckin' with a snitch
I'm bustin' with a clip, that's longer than most
Never ridin' in a column, fool I'm ina' flow
I'm on the go, 24, my life's a movie
And the title is bust a bitch, to sell her booty
I'm cutthroat, I fuck with sour dudes
And slang much dope, and bust power moves

A moment of silence for the homie Mac Dre

I need no, bitch who ain't rich
That's just like a criminal, fuckin' with a snitch
I'm bustin' with a clip, that's longer than most
Never ridin' in a column, fool I'm ina' flow
I'm on the go, 24, my life's a movie
And the title is bust a bitch, to sell her booty
