

# Player In You

Messy Marv

What's up star  
I'd like to get to know who you are  
Come conversate with Messy Marv  
A West Coast playa with the gift of spittin'  
Ain't no top notch super bad too major for this  
Let's take a toast, come tap your pimpin' with my pimpin'  
Paper chasin', fast cars, money, and women  
The unforgivin', trife' life is how I'm livin'  
Hustlin' with precision, my Fillmore religion  
Heads stay spinnin', off in that Lexus coupe  
Broads stay grinnin' when the Mess strike through  
Not just fly too  
They say I'm doin' too much  
Cause I be off of 20 yak wantin' to touch and stuff  
Jiggy take a puff, relax your mind  
Let your conscious free  
Like Ginuwine, ride on my pony  
Hustlas get lonely too  
Baby, you bring out the player in me and the freak in you

This is  
For the player in you  
This is  
And me, you gotta stay true  
This is  
For the hustlas too  
This game is gonna last for ever

Them suckas ain't lovin' you right  
What Pac said, "lonely need a thug in your life"  
Call me Mister Messy Mino  
Game tight like a casino  
Tryin' to have multiple chips, like the Pink Flamingo  
Up in Reno, Feticino, and super bads, that's my steal  
Gang related, drug affiliated like a kilo  
I'm off the higgidy, no diggidy  
It don't take much to bring out the playa in your niggidy  
Capt'n-Save-A, nah nah, that ain't my flavor  
I been major, G-bundle knocks on my pager  
Ain't that somethin', boy ain't no future in your frontin'  
Let's get out the childs play and get to grindin' and bumpin'  
Baby, take a puff, relax your mind  
Let your conscious free  
And like Ginuwine, ride on my pony  
Hustlas get lonely too  
Baby, you bring out the player in me and the freak in you

This is  
For the player in you  
This is  
And me, you gotta stay true  
This is  
For the hustlas too  
This game is gonna last for ever

I love the player in you  
You keeps it true (keeps it true)

So much game in between us  
With a player like you, I don't need to mess around  
I'll be the one to come runnin'  
You're blowing my mind with the bomb that you give me  
Everyday  
Is for the player in you, baby  
If you play your cards right  
I'll be your lady  
Is for the player in you, baby  
If you play your cards right  
I'll be your lady
