

# Masquerade

Mest

Is my masquerade running out of time  
I've been in disguise saying all the right lines  
I bite my tongue to hold one more lie  
I like what I see, maybe your life I'll try

When the night is over, will you remember my name?  
When we wake up sober, will you recognize my face?  
Can't carry-on this masquerade much longer  
A painted smile inside pain grew stronger  
My time is running out

I'll dance around the truth  
Hide my identity  
Because I know you  
But you don't know me  
I'll never be the same  
I'll hide this shame  
I'll wear this mask  
And play this game  
As midnight strikes  
The truth revealed  
Will you still want me?

When the night is over, will you remember my name?  
When we wake up sober, will you recognize my face?  
Can't carry-on this masquerade much longer  
A painted smile inside pain grew stronger  
My time is running out

When the night is over, will you remember my name?  
When we wake up sober, will you recognize my face?  
Can't carry-on this masquerade much longer  
A painted smile inside pain grew stronger  
My time is running out
