

## The Duke

## Metal Inquisitor

There is a man , swimming in madness  
protected by darkness, call him the duke  
passion in metal , denim and leather  
king of barbarian, obsession with blood

Nearly six feet tall , shoulders of steel  
teeth like a vampire , how do yoy feel ?  
hungry and thirsty, on every crew slut  
counting to three , jump on the tree

Laughing while snapping her tits  
shouting and slavering  
i'll give it to ve

Something god makes mistakes  
missing link gets ve  
sucks you and eats you raw  
the wolf is back

imagnations, werewolf and klingon  
cannibalism, cadaver drag down  
saliva is flowing , dick is pulsating  
once you'veeseen it , you are damned

He bangs down the dance floor  
never show mercy  
cut down the innocent  
right on their knees  
don't fear the slaughter  
don't fear the murder  
don't fear the ripper  
just fear the duke
