

# Burning

Metalium

I hear a rock'n'roll guitar,  
screamin' wild on the radio  
Well, I know what I like,  
know and it's right  
Gotta take me through the night

The sound is comin' out,  
it's breakin' down the doors  
like an earthquake  
Explodin' your brains,  
Do it again, power is a natural right

I say, hey Rock'n'Roller,  
power in your hands  
You and your music,  
right on rockin' man

You gotta hear it for a while,  
it bowls you over, like dreamin'  
Oh, hell what a night,  
keep a rockin' on night  
Hey, boy can't you see the light

I say, hey Rock'n'Roller,  
power in your hands  
You and your music,  
make me rockin' mad

Burning, burning, burning just like fire  
Burning, burning, a rock'n'roll desire  
Burning, burning, burning just like fire  
Burning, burning, burning just like fire

I say, hey Rock'n'Roller,  
power in your hands  
You and your music,  
make me rockin' mad

Burning, burning, burning just like fire  
Burning, burning, burning just like fire

I say, hey Rock'n'Roller,  
power in your hands  
You and your music,  
make me rockin' mad

Burning, burning, burning just like fire  
Burning, burning, a rock'n'roll desire  
Burning, burning, burning just like fire  
Burning, burning, burning just like fire
