Pharos Slavery

Metalium

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

The slavery is killing
My water is running out
The sun is burning in my brain

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

They try to break my will...
I... need a way here out
Whips on my skin, emo...
Emotions scream out loud

But the day I die
Keep my word up high
I'll break these chains

Oh, oh, oh
Oh, oh, oh
Sweat runs down in the sand
Hard rope cuts in my wounds
Those rocks are hard to pull away
Ah
Pharao's slavery
Ah
And the day I die
Keep my word up high
I'll break these chains

Oh, oh, oh
When am I losing my chains
Oh, oh, oh
No

I'll break these chains

Oh, oh, oh
When am I losing my chains
Oh, oh, oh
No
My skin...
I scream loud
My skin...
Until the day I will die
Built upon pain
Need to escape, need to scape
This Pharaoh's slavery
This Pharaoh's slavery
