

# Spirits

Metalium

I MEAN IT  
A bound that unites our pact  
I'VE SEEN IT  
and seal our unity  
FOLLOW  
Follow the code of ethics, no need to be described

I DO IT  
Feeling the force between us  
I LIVE IT  
Existing community  
SWALLOW  
swallow the heathens out there, the spineless, they can die

If you have to choose your way  
spirit tells you how

Where I come from, where I go  
GO  
Learning from the past I know  
KNOW  
Loyalty I do admire  
Don't have doubt to keep your course  
COURSE  
Directed by a higher force  
FORCE  
Setting spirits free and on fire

WHO EVER  
History repeats itself and  
WILL TRY TO  
the liars will always be  
BREAK INTO  
our alliance won't fail and die, a fact you can't deny

If you have to choose your way  
spirits tells you how

Where I come from, where I go  
GO  
Learning from the past I know  
KNOW  
Loyalty I do admire  
Don't have doubt to keep your course  
COURSE  
Directed by a higher force  
FORCE  
Setting spirits free and on fire
