

# Broken, Beat & Scarred

Metallica

You rise, you fall, your down, then you rise again  
What don't kill you make you more strong  
You rise, you fall, your down, then you rise again  
What don't kill you make you more strong

Rise, fall, down, rise again  
What don't kill you make you more strong  
Rise, fall, down, rise again  
What don't kill you make you more strong

Through black days  
Through black nights  
Through pitch black insights

Breaking your teeth on the hard life coming  
Show your scars  
Cutting your feet on the hard earth running  
Show your scars  
Breaking your life  
Broken, beat and scarred  
But we die hard

The dawn, the death, the fight to the final breath  
What don't kill you make you more strong  
The dawn, the death, the fight to the final breath  
What don't kill you make you more strong

Dawn, death, fight, final breath  
What don't kill you make you more strong  
Dawn, death, fight, final breath  
What don't kill you make you more strong

They scratched me  
They scraped me  
They cut and rape me

Breaking your teeth on the hard life coming  
Show your scars  
Cutting your feet on the hard earth running  
Show your scars  
Breaking your life  
Broken, beat and scarred  
But we die hard

Breaking your teeth on the hard life coming  
Show your scars  
Cutting your feet on the hard earth running  
Show your scars  
Braiding your soul in a hard luck story  
Show your scars  
Spilling your blood in a hot suns foray  
Show your scars  
Breaking your life  
Broken, beat and scarred  
We die hard

We die hard

We die hard
