

# Hero of the Day

Metallica

**G Ami G C D** (2x)

**G Ami G C D**

Mama they try and break me

**G Ami G C D**

The window burns to light the way back home

**G Ami G C D**

Alight that warms no matter where they go

**G Ami G C D**

They're off to find the hero of the day

**G Ami G C D**

But what if they should fall by someone's wicked way

**G Ami**

Still the window burns

**G C**

Time so slowly turns

**D**

And someone there is sighing

**G Ami**

Keepers of the flames

**G C**

Can't you feel your name?

**D**

Can you hear your babies crying?

**G Ami G C D**

Mama they try and break me

**G Ami G C D**

Still they try and break me

Excuse me while I tend to how to feel

These things return to me that still seem real

Now deservingly this easy chair

But the rocking starts the wheels of despair

Don't want your hate

But the fist I've made

For years

can't hold or feel

No i'm not all me

So please excuse me while I tend to how I feel

**Emi**

But now the dreams

And waking screams

**D Emi**

That everlast the night

So build a wall

Behind it crawl

**D Emi**

And hide until it's light

**D Emi**

So can you hear your babies crying now?

Still the window burns

Time so slowly turns

And someone there is sighing

Keepers of the flames  
Can't you feel your name?  
Can you hear your babies crying?

But now the dreams  
And waking screams  
That everlast the night  
So build a wall  
Behind it crawl  
And hide until it's light  
So can't you hear your babies crying now?

Mama they try and break me  
Mama they try and break me  
Mama they try and break me  
Mama they try  
Mama they try  
Mama they try and break me  
Mama they try and break me  
Mama they try and break me  
Mama they try  
Mama they try
