Killing Time

Metallica

Sound of gunfire comes through the night Killing and hatred, it's a terrible sight Reports come in of the heavy attack Message received, we're moving back

Preparations are made for the journey back It's a survival, supplies are packed No more nights in this eternal hell Destination is simple, we move out

Killing time - you left from the line Killing time - your turn to kill Killing time - what do you say? Killing time - aha, killing time

Ingenuity needed to keep us alive No time for cowardice, kill and survive Like a killer kid with a switchblade knife Nasty word, he'll take your life

The silence is over, they attack again Killing and hatred drive me insane Reports come in of a heavy attack Message received, we're moving back

Killing time - you left from the line Killing time - your turn to kill Killing time - what do you say? Killing time - aha, killing time
