

# My Apocalypse

Metallica

Claustrophobic  
Crawl out of this skin  
Hard explosive  
Reach in, pull that pin

Fear thy name extermination  
Desacrate inhale the fire

So we cross that line  
Into the grips  
Total eclipse  
Suffer unto my apocalypse!

Deadly vision  
Prophecy revealed  
Death Magnetic  
Pulling closer still

Fear thy name annihilation  
Desolate inhale the fire

So we cross that line  
Into the grips  
Total eclipse  
Suffer unto my apocalypse!

My apocalypse Go!

Crushing metal, Ripping Skin  
Tossing body mannequin  
Spilling Blood, Bleeding Gas

Mangle flesh, Snapping spine  
Dripping bloody valentine  
Shatter face, spitting glass

Split apart  
Split apart  
Split apart  
Spit  
Spit it out!

What makes me drift a litter bit closer  
Dead man takes the steering wheel  
What makes me know it's time to cross over  
Words you repeat until I feel

See through the skin the bones they all rattle  
Future and past they disagree  
Flesh falls away the bones they all shatter  
I start to see the end in me

See the end in me  
See the end in me

Claustrophobic  
Climb out of this skin

Hard explosive  
Reach in, pull that pin

Violate, annihilate  
All wounds unto my eyes  
Obliterate, exterminate  
And life itself, denied

Fear thy name as hell awakens  
Destiny, Inhale the Fire

But we've cross that line  
Into the grips  
Total eclipse  
Suffer unto my apocalypse!

Tyrants awaken my apocalypse!  
Demon awaken my apocalypse!  
Heaven awaken my apocalypse!  
Suffer forever my apocalypse!
