Off through the new day's mist I run
Out from the new day's mist I have come
I hunt
Therefore I am
Harvest the land
Taking of the fallen lamb

Off through the new day's mist I run
Out from the new day's mist I have come
We shift
Pulsing with the earth
Company we keep
Roaming the land while you sleep

Shape shift, nose to the wind Shape shift, feeling I've been Move swift, all senses clean Earth's gift, back to the meaning Back to the meaning of life

Bright is the moon, high in starlight Chill in the air cold as steel tonight We shift
Call of the wild
Fear in your eyes
It's later than you realized

Shape shift, nose to the wind Shape shift, feeling I've been Move swift, all senses clean Earth's gift, back to the meaning Back to the meaning of life

I feel a change
Back to a better day
Shape shift, hair stands on the back of my neck
Shape shift, in wildness is the preservation of the world
So seek the wolf in thyself

Shape shift, nose to the wind Shape shift, feeling I have been Move swift, all senses clean Earth's gift, back to the meaning Back to the meaning of wolf and man
