

# Cereal Killer

Method Man

Yeah, yeah..

Murda, murda, murda, kill, kill, kill

Murda, murda, murda, kill, kill, kill (I'm going to kill [echoes])

Slowly I turn, step by step

Through the backwindow, I crept

Silent as a mouse on a set

While everybody in the house slept,

I disconnect the phones and the rest

Find a butcherknife

Cut the power lines to the lights

Now a nigga wild for the night

I come like the living death, straight from the dirt

Back to avenge his own death on this earth

Ever heard of Jason, then you know my work

Down to the basement, the dog get it first

I can't help myself, my thoughts ain't my own

The voices in my head just won't leave me alone

Murda, murda, murda, kill, kill, kill

Pissing on the car seats, flattenin' the wheels

So there's no escape from the fate that awaits

No one to witness the horror taking place

Yeah, now I'm on my way up the stairs

To the bedroom on my prey unaware

Heads will be hung from the chimney with care

With hopes that the police soon will be here

I'm a killer!

Yo, yo

Fuck knocking, kick the door, evict the four

Yell out: "It's a stickup, hit the floor!"

You fish cake niggas, stay Lipton off

Did your mama name you, or Mrs. Paul's

Battle in session, what's up with it?

I talk like I walk with a fucked up pivot

Niggas scream out: "It's just us bitches!"

Don't shoot, out the phonebooth

I aim at your party, hit the wrong group

"Happy birth..." ow, ow, ow, ow

Niggas done snap, runnin' hunch back

Ducking, brick walls, get thumbtacked

So run laps, for I body you

Bust out the size, like karate shoes, Doc

Turn velcro, when night falls

Central park joggers, wear bright clothes

Tae bo, five flo's

Lizard, Centipede, Snake

I'm a killer!

Cereal, cereal killer (This is the sound of a cow: Howl)

Cereal, cereal killer

Yo, yo

I walk on backs like Mr. Bentley,

After p-p-p strips you empty

Gather around, for rapid sound
