Method Man

Hello? Are you there?

Hello, hello, hello?

See, Meth, see, that's exactly what I'm talking about

You ask me to call you and you can't even answer the phone

You may be Mr. Mef, okay, but I'm Miss Jackson

And you ain't done shit for me lately [\*laughs\*]

But you know I love you anyway, so give me a call

It's me, Janet

Bye
