## Method Man

Yeah, oh

Bitch, we comin' from the Meth Lab, the Meth Lab  
We comin' from the Meth Lab, the Meth Lab  
Bitch, we comin' from the Meth Lab, the Meth Lab  
Part two

We got the city on smash, the game is really on smash  
I set up shop with the shot, ain't got to gettin' this cash  
I put the work in the pot and let it go  
Anybody and they momma who coppin' already know  
Ike love, I'm in the city, I'm dolo  
From New Yitty, it's YOLO  
Keep it under the Polo, them people takin' them photos  
Me and Methical hit the work, extra got the Nexus out  
Really runnin' wild, hit the exits with them weapons out  
Rain on them bitches  
I take the train with some bitches who keep it tucked in they pussy  
A fair exchange when we hit'cha  
Put the frame in the picture  
No picture frames in my circle  
Niggas goin' in early like they done gave 'em a curfew  
Said, run for the money, run for it  
You need to go and slump for the money, slump for it  
I got a little pretty bitch about to come for it  
And if you try to come for her, she gon' dump for it, nigga

We comin' from the Meth Lab, the Meth Lab  
Bitch, we comin' from the Meth Lab, the Meth Lab  
We comin' from the Meth Lab, the Meth Lab  
Bitch, we comin' from the Meth Lab, the Meth Lab  
Part two

I got two blunts in a pocket, a half a zip in my sock  
Got rappers eatin' my garbage like I ain't spit in the pot  
We put the lid to your top and let it blow  
Anybody from the Island that's poppin' already know  
Meth Lab and we back with them cookers  
I'm out the door with the cook-up  
The quiet life and I keep it private, don't like it, then pull-up  
It's like whatever now  
Tighter than them fits that they be wearin' now  
Methidcal, they tryna touch the kid? You some pedophiles  
Who is you kiddin'? See, I ain't losin', I'm winnin'  
I'm the coop with a pigeon, don't care 'bout who we offendin'  
A lot of you is pretendin', I mean the proof in the puddin'  
I'm at the stove in your kitchen, see, that's the proof that I'm cookin'  
Me and Spank keep it pushin' and while the pushin' is good  
I'm tryna get me some cookies, the kind you put in the [?]  
See, I ain't stressin' you rookies like I should  
I'm just sayin', ain't no place for no rookies in my hood  
And

We comin' from the Meth Lab, the Meth Lab  
Bitch, we comin' from the Meth Lab, the Meth Lab  
We comin' from the Meth Lab, the Meth Lab  
Bitch, we comin' from the Meth Lab, the Meth Lab  
Part two  
Uh
