**Methyl Ethel**

You know
I lied so many ways
You know it comes back to me
Before another man

I heard
Ten thousand screams
But it all was in my dreams

I drive
On the other side of the road
I swerve to get a paper cup
But I do it real slow

You have
So many miles to go

But you didn't even know
You didn't even know

You didn't even know, oh
You didn't even know

Sometimes
I want to dig a hole
And then crawl into it
I don't even know if I
Will come out
Again
But I invited you inside and
You didn't even know
You didn't even know

You didn't even know, oh
You didn't even know
You didn't even know
Oh, you didn't even know
You didn't even know, oh
Oh, you didn't even know, oh
