

I was alone again
I couldn't see it all
It was unfolding
Forever
And the first lie
So light, I held it inside

Then I saw it
Creeping up the walls
Creeping up the walls
Creeping up the walls again
I saw it
Come creeping up the walls
Creeping up the walls
Creeping up the walls

When you walk around the sides
To see what it's about
When you go creeping up the side
You will run from it
And the days will open up
And the night will say

I'm flying away from you
I'm flying away from you
I'm flying away from you tonight
I'm flying away

Come back
Come back to me
Come back, yeah
Come on back to me
Come back
Come back to me
Come back, yeah
Come on back to me

You worry now
That you didn't know
That you were in love
You were in love
But it wasn't enough

I'm flying away from you
I'm flying away from you
I'm flying away from you tonight
I'm flying away
I'm flying away from you
I'm flying away from you
I'm flying away from you tonight
I'm flying away
