

Am I Dreaming

Metro Boomin

Not done fighting, I don't feel I lose
Am I dreamin', is there more like us?
Got me feeling like it's all too much
I feel beaten, but I can't give up
I'm still fighting (Metro), I don't feel I've lost
Am I dreamin', is there more like us?
Got me feelin' like it's all too much
I feel beaten, but I can't give up

Uh (No way), wakin' up, feelin' like the thankful one
Count up my 1's, lacin' up my favorite ones
One of a kind, one of one, the only one
Got one shot and one chance to take it once (No way)
Kiss my mama on the forehead, 'fore I get the code red
'Cause I was born, bred to go in, toast red
And swing by four-ten, beef patty, cornbread
In the concrete jungle, where my home is (No way)
All get focused, all range of toast is
For nickname, it's the king that do the mostest
I was livin' down bad in my folks crib
Now I'm laughin' to the bank and the joke is (No way)
They want things them folks did or folks get
We've been gettin' this fly since some poor kids
My rich friends and my broke friends co-exist
They love to mix 'em, we know what it is

Not done fightin' (No way), I don't fear I lose
Am I dreamin', is there more like us?
Got me feeling (No way), like it's all too much
I feel beaten, but I can't give up
I'm still fighting (No way), I don't fear I've lost
Am I dreamin', is there more like us?
Got me feelin' (No way), like it's all too much
I feel beaten (No way), but I can't give up

I can't find it in myself to just walk away
I can't find it in myself to lose everything
Feel everyone's against me, don't want me to be great
Thank my Lord, Mom, I'm afraid of gettin' to fail
I'm bruised (No way), who's really bad?
I choose me now, or else it's going bad
Wish you could see me (No way)
Now, now, mmm, who had my back, baby?
You don't know no love, always will win

Not done fightin' (No way, fightin'), I don't fear I lose (Fear I)
Am I dreamin' (Dreamin'), is there more like us? (More like)
Got me feeling (No way, feelin'), like it's all too much
I feel beaten (Beaten), but I can't give up (Can't give)
I'm still fighting (No way), I don't fear I've lost
Am I dreamin', is there more like us?
Got me feelin' (No way), like it's all too much
I feel beaten (No way), but I can't give up

Can't give up
Can't give, can't give up
Can't give up

Can't give, can't give up
Can't give up
Can't give, can't give up
Can't give up
