

Jealous

Metro Boomin

Going out my mind again, yeah
You know what I'm saying?
Yeah, oh yeah
Sex with you must be heaven
I don't know why you make me jealous

I don't know why you make me jealous
Sex with you, it must be heaven
Purchase carats look like pebbles
Why try fight it? It's just habits
You not supposed to take advantage
Constant pain, I feel abandoned
Keep it together, don't do damage
Don't you treat me like I'm average
I don't know why you make me jealous
Sex with you, it must be heaven
Purchase carats look like pebbles
Why try fight it? It's just habits

Call up the jeweler, that's just one call
Don't take kindness for weakness
Make me stronger, no weakness
I just need you to believe in
I just need you to be happy
I know you won't steer me wrong
This fifteen carats, canary yellow
Tryna trick myself thinking this forever with you

I don't know why you make me jealous
Sex with you, it must be heaven
Purchase carats look like pebbles
Hope you deserve it, you the baddest
You not supposed to take advantage
Constant pain, I feel abandoned
Keep it together, don't do damage
Don't you treat me like I'm average

I don't know why you make me jealous
Sex with you, it must be heaven
I don't know why you make me jealous
(Sex with you, it must be heaven)
I don't know why you make me jealous

Rose gold, buy a Patek
Treat you with care, I can't be careless
I get so jealous, might just panic
Kissing your body, taste like candy
I wanna love you, not be managed
Background Italian, speaking Spanish
Tryna keep it simple, we so lavish
Good for my mental, doing magic
Let's find a spot somewhere in Paris
Move to the mountains far from madness for you
