Bought a Lamborghini you ain't got no house

Blew your PPP and you ain't even fix your mouth

Ask to borrow money but don't Instagram you're rich

Claim that you a gangsta, paperwork say you a snitch

Your best friend started rapping, asked to post him on your page

You say no, he go to jail, you posting "free him" everyday

Your lil homie making clothes you ain't support him, heavy work

When he died you was the first, put his face up on a shirt

Everybody want a hand out they ain't tryna work for shit

Give 'em a job, laying down, they gon' stand up on ya and quit

How we beefin' I don't know you, tellin' PP wanna fight

Hate me from a fake page, why you following if you don't like me, homie

You at the mall you ain't shoppin'

Booty club you ain't tippin'

Last year were banging blood, this year I hear you cripplin'

Spent 300 for the case protect your phone

What you raw dog every girl you ever boned (Make it make sense)

Me and you just hangin' out I understand it that we cool

Ran into you with my boo

You tried to cut the fool

That was rude

Jet lag [?] saw you with yo dude

I kept it P, I kept it smooth

What the fuck goin' on with you? (We just be coolin' in)

They gon' scream on bullhorn, bullshit be goin' on

That you do some beneficial, bitch you barely get a whisper

Nigga dating bitches bodies, bitches dating niggas pockets

You withdraw, she deposit

Pussy shaped just like a wallet
