

One Big Family

Metro Boomin

Yeah

Oh, yeah

Yeah (Yeah)

Last name Pluto, first name whatever, you know what I'm sayin'?

Yeah (Yeah, yeah)

How I'm comin'

Twenty main bitches, I swear I'm from another planet (Pluto)

I love all of 'em the same, we just like one big family (I swear, yeah)

We go on an odyssey, baby, you know we ain't 'posed to be here on the Earth
('Posed to be here on Earth)

I'm fucked up 'bout this Chinese shit, got me hittin' it off a Perc' (Off the Perc')

Dominicano been playin' her part, she know what's happenin' (She know what's happenin')

She been sittin' in the sun over fifteen minutes at the pad (She was at my pad)

Nati say she love me more than she love her daddy

I don't think she loyal, but say she'll never do me bad

That's what she say to me, "Come lay with me, come play with me

When you leave from the studio, come get dropped off and stay with me"

Every shorty come get on my body

I got Jude on her way to Pilates

I treat Bea like she one of my partners

I got three with the same name, probably

Bought a Birky for shorty this mornin'

Got that work for Cabrina this mornin'

She was twerkin', I started performin'

Goin' surfin', I'm startin' to enjoy it

Went on shoppin' sprees, I can afford it

She gon' call to whip me like an orphan

I got Lindsay on call, unfortunate

Try to eat it off me like a portion

I got Booby Trap sittin' in my living room

I got Magic whenever I need to

Fuckin' with you, but I don't really need you

Break you out twenty racks when I see you

Layin' you down on your back when I meet you

Hittin' that shit from the back, don't I teach you?

I done flew Nora out to Ibiza

I had Dabo come in on the same flight

I hit Gabriella on the same night

Fell in love 'cause she know a nigga game tight

Throw the hood up, she know I'm the gang type

I'm just givin' you a little bit of insight

Twenty main bitches, I swear I'm from another planet (Swear I'm from another planet)

I love all of 'em the same, we just like one big family (Pluto)

We all happy, don't care what they say, don't be embarrassed (Don't be embarrassed, yeah, yeah)

I swear I'm from another planet (Swear I'm from another planet)

Pull up in a Rolls

I bet that bitch open up my doors (Yeah)

I bet I'll wipe that bitch nose

Anything I say, everything goes
Treat me like a pot of gold (Treat me like I'm gold)
Treat a nigga, got that bag coming (Yeah)
Heard you wanna go to Saturn (Heard you wanna go)
Pick a planet, I ain't average
Pluto got a bitch on lockdown
Got my rude chop gettin' mopped down
Out the country, she get knocked down
Pop the biggest one when I'm overseas
Tryna move the little shit out of DC
Spent a bag on Cheyenne, it was easy
Fuck what you gotta say, she gon' keep me
I got Aquafina on me on each sleeve
Got some weight on me, sittin' in the bathroom
Any time I get, she ready to smack somethin'
Got her poppin' that shit in the Phantom (Pop)
Turn my bitch up, you know that's the standard
I got Theria landin' in Abu Dhabi
So imperial, tryna be modest
Don't record me when I walk through the lobby
Cross her legs when sit 'round the brodie
Iron my clothes, she tied up my shoes too
Clean the carpet, I feel like a guru
All I wanna do is buy Jimmy Choo, Choo
Everything on her practically new, new
Very charismatic, she one of the baddest
She one of the ones I cherish
I swear I'm from another planet (Pluto)

Twenty main bitches, I swear I'm from another planet (Yeah)
I love all of 'em the same, we just like one big family (Oh, yeah)
Yeah, yeah
I swear I'm from another planet

Only way to live is to be rich
Bad bitch follow me just like a cult
Yeah
I swear I'm from another planet
