

Seventeen Forever

Metro Station

You are young, and so am I
This is wrong, but who am I to judge?
It feels like heaven when we touch
I guess, for me this is enough

We're one mistake from being together
Let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight

You are young, and I am scared
You're wise beyond your years, but I don't care
And I can feel your heartbeat
You know exactly where to take me

We're one mistake from being together
Let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight

Will you remember me?
You ask me as I leave
Remember what I said?
Oh how could I, oh how could I forget

We're one mistake from being together
Let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight

We're one mistake from being together
Let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight

We're one mistake from being together
Let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight
