Her baby's got the loving arm  
I never get too close, I like to get results  
Her baby's got the loving arm  
I never get too close, I'm flying down the coast  
To love, to love  
Her baby's got the loving arm  
I never get too close, I like to get results  
Her baby's got the loving arm  
I never get too close, I'm gunning down the coast  
To love, to love, to love  
Her baby's got the  
Her baby's got the  
Her baby's got the  
Her baby's got the
