

Lately (Going Spare)

Metronomy

Lately, I've been goin' crazy, thinkin' of the time we had our
first baby
My baby, you're my baby
Sittin' on the sofa, watchin' the TV, waitin' for the sun to co
me up
While I'm feedin' our baby, yeah, our baby

And even though you must be close, I can hardly see you (Be clo
se)
I'm in paradise, yeah, I'm in paradise
With you

Lately, I've been feelin' uneasy, but you pick me up
When you hug and you squeeze me, my baby
You're my baby

Sittin' on the plane there, playin' our Mario
I can't explain how it feels to be far from you, my baby
Makes me crazy

And even though you must be close, I can hardly see you (Be clo
se)
But I'm in paradise, yeah, I'm in paradise
With you

Lately, I've been going spare
Lately, I've been going spare
