

Wedding Bells

Metronomy

Yeah, I hear wedding bells
But they're not for you
They're for your best friend
And my best friend

Yeah, I hear wedding bells
But they're not for me
They're for my best friend
And your best friend

Yeah, I hear wedding bells
Yeah, I hear wedding bells
Yeah, I hear wedding bells
Yeah, I hear wedding bells

But they're not for you

My guitar, my guitar
My guitar, my guitar

So let's hide out
Yeah, let's hide out
Yeah, let's hide out
Yeah, let's hide out
So then, let's hide out

So let's hide out
In the darkness
Of your parents
Back garden

'Cause I hear wedding bells
Yeah, I hear wedding bells
Yeah, I hear wedding bells
Yeah, I hear wedding bells

But they're not for you
