

BET

METTE

I know it might sound stupid
I'm a fool for you so I'll just say it anyway, oh
I think I'm in love with you
I love you
I wanna bribe Cupid
With a Benjamin, he can take my jewelry off

I've been looking north, south, east, west
Every direction to find one like you
That pure connection
And ooh, its a crime how
I'm killing time for you
Baby, I'm no psychic but I know it's true

One day soon you'll be loving me madly
Don't keep me waiting on it
One day soon you'll be loving me
You bet
I bet, bet on that you do
Bet, bet on that you do
Bet, bet on that you do
Bet, bet on that you do
You, you, you do

Damn
I'm losing my focus
Got me running wild, thinking 'bout our chemistry
You got me running
Run, running wild
That's some hocus pocus (Shit)
I find magic in all the ways that you look at me
Look at me, Look at me, Look at me, Look at me

See, I've been going days
Nights, weeks like
24/7 you on my mind
But ain't no confession
Ooh, it's a crime how I'm slowly dying for you
You're my medicine
I need a dose or two

One day soon you'll be loving me madly
Don't keep me waiting on it
One day soon you'll be loving me
You bet
I bet, bet on that you do
Say you do, say you do
Bet, bet on that you do
Say you do, yeah
Bet, bet on that you do
I know you do, say, say you do
Bet, bet on that
You, you, you do
You do

Bet, bet on that
I bet you, bet you fall in love with me, baby

Yeah, ah
Bet, bet on that
I bet you, bet you fall in love with me, baby
Yeah, ah
Sooner or later, sooner or later
Love with me, love with me
Sooner or later, sooner or later
Love with me

One day soon you'll be loving me madly
Don't keep me waiting on it
One day soon you'll be loving me
You bet
I bet, bet on that you do
Say you do, say you do
Bet, bet on that you do
I know you do, baby
Bet, bet on that you do
I bet you do, say, say you do
Bet, bet on that
You, you, you do
Bet you, bet you fall in love with me, ah!
