

## Demolition Row

Metz

The kind of feeling that just comes and goes  
A little wet behind the ear  
If all you wanna do is watch it grow  
What the hell you doing here?

It comes and goes  
It comes and goes

I can't explain, I think it's all insane  
The way you stare and let it bleed  
The wilted flower in the window pane  
It knows exactly what you need

It comes and goes  
It comes and goes

It comes and goes  
It comes and goes  
It comes and goes
