

Eraser

Metz

Eraser, eraser

It's never quite enough to fill your empty heart

You'll always be my

Eraser, eraser, eraser, erase

Eraser, eraser, eraser, erase my head

You know you're all I've got

The feeling's here to stay

Eraser, eraser, eraser, erase

Eraser, eraser, eraser, erase my head

You're just across the hall

Oh, please don't lose your head

Eraser, eraser, eraser, erase

Eraser, eraser, eraser, erase my head

Erase my head
