

# El Chupa Nibre

MF DOOM

Adult Swim presents: Danger Doom (And what else?)  
Why did you buy this album?  
I don't know why you did, you're stupid

"{Fuck} yourself"

Ha ha ha ha!

The super flow with more jokes than Bazooka Joe  
A mix between Superfly Snuka and a superhoe  
Chew a MC like El Chupa Nibre  
Digest a group and sell the poop on eBay  
Danger with the vest screamin "Shoot the DJ!"  
DOOM clickin over two chickens, three-way  
Four in the 5, a cork on the freeway  
Villain find a way to make 'em pay whatever we say  
State your intentions  
"I really love your tape but I hate your inventions"  
Very well - what you want, a brownie?  
He took off the mask and whispered "Put me where you found me"  
He kept his paper digits in a chunk  
Once joined a rap clique - Midgets Into Crunk  
He did a solo on the oboe  
Coulda sold a million then the Villain went for dolo  
And cited creative differences  
Basically they hated, he left no jaded witnesses  
Rappers suck, when they spit I doubt 'em  
The crap they sing about you wanna slap the {fuckin shit} out 'em  
Psht - time waits for no man  
On a blind date, a lover with a slow chrome hand  
Judged him by his shoes, hot smelly Brogan  
Budged him with the news, called him pot-bellied Conan  
No prick barbarian  
A strict beeratarian, a sick pair of Merry Men  
The beat is like a swift kick in the rear end  
The stiff {dick} made her lose her lipstick and hairpin  
He said "Djamm! Act like you know me"  
Even with the mask on, show me what you owe me"  
Tell her brush her grill and wash her face and {twat} homey  
Dumile got her like Inuyasha got Kagome  
What we have here is a failure to communicate  
If you gonna hate, might at least get your rumors straight  
About Doom the Great, a lot more confident  
Came a long way since the days we had to rhyme for rent  
It was time well spent, vented  
Spelt and dented, hell-bented and heaven-scented  
A wire is dead, he's in it for the cash flow  
I'd like to send a big up to Firehead Lazzo  
Let a brother know once you lasso Hasbro  
So when he come with Destro he gets no hassle  
Could hardly get a word in and  
Wonderin' what the damage is to retain Harvey Birdman?

Yo uhh, Danger! It's me your old buddy Shake  
Ahh, I heard you're doin a little project and uhh, y'know  
I hear you talked to some OTHER PEOPLE  
And I thought you were smarter than that  
But obviously I am WRONG cause you know my rappin is the {shit}

I don't give it out for free though! So uhh, I'll do it  
Feel free to call me, at my number, which you have
