

# Only a Shadow

MGMT

Lying in my room quiet late one night  
Something I could see made me check my sight  
Something very strange made me walk outside  
So I walked outside like this real cool  
Nothing to lose and I knew I should  
Ever since she told me that I was no good  
It was no good  
I knew it would be

Only a shadow  
Only a shadow  
Only a shadow  
But it looks like you

Only a shadow  
Only a shadow  
Only a shadow  
But she looks like you

She looks like you...

It's the time of year when the flowers dies  
It's the kind of night when a ghost will rise  
Searching for a girl with the dancing eyes  
Who can stay all day but leave next night  
Instincts should have told me it would work out right  
Now I'm very nervous I leave all my life  
But I walk outside and I walk outside and it's

Only a shadow  
Only a shadow  
Only a shadow  
But she looks like you(4x)

She looks like you...

Listen to her voice go around my head  
Comes to me at night when I'm in my bed  
"Could be going crazy" is what they said  
And what they said is I'm no good  
Told me to leave you, I really think I should  
Haunted by your face everywhere I look  
But I walk outside and I walk to far and it's

Only a shadow  
Only a shadow  
Only a shadow  
But it looks like you

Only a shadow  
Only a shadow  
Only a shadow  
But she looks like you(2x)

Shadow...

Only a shadow

Only a shadow  
Only a shadow
