

Dominos

Mi6

so you think, that i want someone else
i need some time alone, just by myself
everything, as far as i can tell
was kept inside your little carosel
is there no answer now do you suppose,
that's just the way it goes
where will we end up maybe no-one knows,
like falling dominos

don't you know, that you're not helping me
you're not that good at human chemistry
but we're not, what we pretend to be
i need to break my co-dependency
is there no answer now do you suppose,
that's just the way it goes
where will we end up maybe no-one knows,
like falling dominos

another place, another smile, i need my space from you awhile
a final question that i think i may have asked some time before
why do you always act this way, i'm never gone more than one da
y
why don't you just grow up, i've had enough, now get your own l
ife

i want some time, to figure out
there's nothing more for us to talk about
is there no answer now do you suppose,
that's just the way it goes
where will we end up maybe no-one knows,
like falling dominos
