

Devotion

Mia Martina

Sunrise, close your eyes
Try to imagine us
In a place, far away
Alone in another world
Where we can go on and on and on
We can go on and on and on
Now we can go on and on and on
Lost in the music

Your love is like diamonds in the sky
That fall like rain
And every time we touch
The clouds begin to feel near
And then the world stops turning
When the night falls down
To eternity, baby you and me
We are devotion

Devotion, devotion, devotion...

Sunrise, close your eyes
Try to imagine us
In a place, far away
Alone in another world
Where we can go on and on and on
We can go on and on and on
Now we can go on and on and on
Lost in the music

Your love is like diamonds in the sky
That fall like rain
And every time we touch
The clouds begin to feel near
And then the world stops turning
When the night falls down
To eternity, baby you and me
We are devotion

Devotion, devotion, devotion...
