

Evidence

Mia Wray

A wounded deer to you
Is all I'll ever be and that's the truth
Hear my cry
There's power in this pain
I'm building up the walls
And you're to blame
It's a crime

Ah ooo
Living with the consequence
Ooo
I've been playing dead

I've got the evidence
I'm not looking for a reason
All I see is red
Everywhere I go it seems like
There's another threat
That I'm up against
I've got nowhere left to hide
I've got the evidence
CCTV caught you out
And you've got no defence
Everywhere I go it seems like
They're not listening
Fucking hypocrites
You've got nowhere left to hide

Flying when you shot me
Dragged me under
Magic carpet rider
Dreamer, lover
Now
Take your bow
Take your

Say my name again
Write it in that gold ink glitter pen
Take your time
And I pray you see it too
Now you feel the fear
He's watching you
You can't hide

Ah ooo
Living with the consequence
Ooo
Sick of playing dead

I've got the evidence
I'm not looking for a reason
All I see is red
Everywhere I go it seems like
There's another threat
That I'm up against
I've got nowhere left to hide
I've got the evidence

CCTV caught you out
And you've got no defence
Everywhere I go it seems like
They're not listening
 Fucking hypocrites
You've got nowhere left to hide

Was it in the way I walked
Or was it in the way I talked
These endless thoughts
Are cutting me like knives

Now all you'll ever be is someone
Sad enough that sees that just
Because I am a woman
I am yours
Flying when you shot me
Dragged me under
Magic carpet rider
Dreamer, lover
Now
Take your bow

I've got the evidence
I'm not looking for a reason
All I see is red
Everywhere I go it seems like
There's another threat
That I'm up against
I've got nowhere left to hide
I've got the evidence
CCTV caught you out
And you've got no defence
Everywhere I go it seems like
They're not listening
 Fucking hypocrites
You've got nowhere left to hide

La da da da...
