

Go oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh

I can be your Mrs. Heart
I can be your rolling start
I can be your anything you want now
Just to get a little closer to you, boy

Go oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh

Take it fresh or take it slow
Take your mind to let it go
Let your hands wrapped 'round my waist
And I'll move my body and set the pace

Go oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh

I don't want no silly games
I don't want no precious waste
All I want is your warm embrace
To set me free and start the race

Go oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh

Decide if you're ready to turn to your every need
I'm coming at you right if you could only let me
In enough to clearly steady my heart on you
Decide if you're ready to turn to your every need
I'm coming at you right if you could only let me
In enough to clearly steady my heart on you
'Cause when you kiss me
'Cause when you kiss me I'm ready to...

Go oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh
Oh oh oh oh oh oh
Go oh oh oh oh no
Go oh oh oh oh oh

I'm mad for you x7
Oh oh oh oh
I'm mad for you x7
Oh oh oh
I'm mad for you
Oh oh oh oh
I'm mad for you
Oh oh oh oh
