Start Again

Mia Wray

Well I tried being 'her' yesterday
'She' didn't fit, it was two sizes too large
I rub my eyes with make-up wipes
Thinking what the hell am I doing with myself

It's not my time
It does not feel right
Running 'round
I'm not myself
If we don't try
Just close our eyes
Maybe we could find our minds
And start again

Down where the mountain meets the river
I found a part of me that's different
Maybe I'm scared, I don't know
If I am prepared to show myself, to show myself

It's not my time
It does not feel right
Running 'round
I'm not myself
If we don't try
Just close our eyes
Maybe we could find our minds
And start again

Ohhhh

It's not my time
It does not feel right
Running 'round
Not myself
If we don't try
Just close our eyes
Maybe we could find our minds
And start again

Start again
Start again
