

Cellophane (So Cruel)

Miami Horror

Tell me what you're gonna do now
I'm always on the west side
If I see ya can we kick it again?
I know what you're going through now
You're always on your own time
Won't change but I gotta believe
Tell me what you're gonna do now
Won't put you on the outside
I was there when you needed a friend
Tell me what I gotta prove now
It's always gonna take time
Can't sit here waiting for you

Hey, you don't have to be so cruel
Cruel
Hey, you don't have to be so cruel
I'll come if you ask me to

I won't always be this weak
Can't say you're waiting on me
Tell me what you gotta lose now
You say you've got to take off
Have you got somewhere better to be?
I know what I gotta do now
It's time for me to break off
Can't change how you're feeling for me

I'm calling out, but you keep on pausing
Taste of your lips so haunting
Won't admit that you're falling, falling, falling

Hey, you don't have to be so cruel
Cruel
Hey, you don't have to be so cruel
I won't if you ask me to

I'm calling out, but you keep on pausing
Taste of your lips so haunting
Can't see the hurt you're causing

I'm holding off till the day you're all in
I'll take a chance, so stalling
Can't admit that I'm falling

Oh by the way do you remember
It's not who you are but where you've been
I'll run away till you remember
Cause I'm flying high, no time to spare

You don't have to be
You don't have to be

I'm calling out, but you keep on pausing

Taste of your lips so haunting
Won't admit that you're falling, falling, falling

Hey, you don't have to be so cruel
Cruel
Hey, you don't have to be so cruel
I'll come if you ask me to

Hey, you don't have to be so cruel
Cruel
Hey, you don't have to be so cruel
I'll come if you ask me to

I'm calling out, but you keep on pausing
Taste of your lips so haunting
Can't see the hurt your causing

I'm holding off till the day you're all in
I'll take a chance, so stalling
Can't admit that I'm falling, falling
