Miami Horror

Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)

For your love
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)
Oooh (oooh)

(For your love)
Together (for your love)
Together, we belong (for your love)
Together (for your love)
Together, we belong

When I close my eyes
With you by my side
We can go, we go (together), we go, go
When tomorrow's here
We dream of younger years
We can go, we go (together), we go, go

(For your love)
Together (for your love)
Together, we belong (for your love)
Together (for your love)
Together, we belong

We can go, we go, we go, go (for your love)
We can go, we go (together) we go (we belong)
We can go, we go, we go, go (for your love)
We can go, we go (together) we go (we belong)

(For your love)
(For your love)
If we could reach out into the stars above
Discover the light in the dark
These echos of you float inside my heart
I hope to remember

(Together)
We'll go together
(Together)
We'll go together

We can go, we go, we go, go
We can go, we go, we go, go (for your love)
We can go, we go (together), we go, go (for your love)
We can go, we go (together) we go (we belong)
We can go, we go (together), we go, go (for your love)
We can go, we go (together) we go (we belong)

(Together)
Together, yeah
(Together)
Yeah
