

Do You Want To Dance

Miami Sound Machine

Do you want to dance
would you take a chance with me.
Let the music play
dance your life away, be free.
Don't you know that with the music
you're dancing all your troubles away.
Do you wanna dance
would you take a chance today.
Do you wanna dance
would you take a chance today.

Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)
Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)
Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody

Please don't be so shy
come on, just give it a try for me
Don't you feel the beat;
it's as easy as one, two, three
Don't you know that with the music
You're dancing all your trouble's away.
Do you wanna dance
would you take a chance today.
Do you wanna dance
would you take a chance today.

Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)
Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)

Don't you know that with the music
You're dancing all your trouble's away.
Do you wanna dance
would you take a chance today.
Do you wanna dance
would you take a chance today.

Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,

you've gotta take a chance
(Do you wanna dance)
Come on, dance, baby,
please dance with me baby
(Do you wanna dance)
I know you do it so good
(Do you wanna dance)
I'll be waiting all night
just to make you feel right
(Do you wanna dance)
And now it's up to you,
come on and boogie with me
(Do you wanna dance)

Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)

Come on baby, do you wanna dance
(Do you wanna dance)
Come on everybody,
you've gotta take a chance
(Do you wanna dance)
